WHAT OUR GUESTS SAY

"We hired the space upstairs to celebrate my 30th birthday. Jade, Helen were so helpful and made everything really easy. We chose the grazing board for the catering and were really impressed with the quality, variety and freshness of the food. We really liked the decor of the room and the flexibility of the venue to decorate the space to our liking with balloons and banners etc. We made use of the Bluetooth speakers to play music via our phones. Overall we 100 percent recommend this venue for your celebrations! Thanks so much for making it so easy and enjoyable. We'll be back for sure!"
